Specification Clause

Used with ACO FloorDrain. Made from AISI 316L with TPEV sealing rubber. Pickle passivated with brushed stainless finish. For areas where rare cleaning is required. Air-tight seal eliminates temperature fluctuations through otherwise open drainage. Load class per ASME A112.6.3, section 5.

ACO recommends checking local plumbing codes prior to installation.

Complies with ADA - American Disabilities Act of 2010 Section 302.3.

HygieneFirst: Includes relevant hygienic design principles reserved for food contact surfaces or recommended by NSF/ANSI and EHEDG.

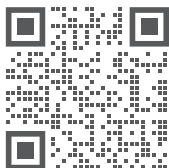

ADA-compliant per The Americans with Disabilities Act of 2010, Section 302.3
