

CLASSIC FINISH

Enhance your space with one of our most flattering and timeless finishes. These popular options are available on-demand which ensures faster delivery to you. Choose a classic finish that will complement and complete your shower to enjoy for years to come.

BRUSHED STAINLESS

ACO's Brushed Stainless finish captures a classic brush-stroke texture. A modern, yet timeless finish that pairs well together with almost anything, especially with Brushed Nickel and most silver-toned metals and hardware.

MATTE BLACK

A Matte Black finish will create a grand and prestigious feel in your space. It offers a flat black finish without shine or reflection. Offering an edgy, minimal but stylish finish with a trendsetting sheen that pairs well with many various colors and hues.

POLISHED CHROME

Our Polished Chrome features a mirror-like finish and appears reflective, adding a touch of modernism. Though not actually chrome plated to ensure longevity, this finish pairs well with most cool-hue hardware to create a lustrous balance.

LUXURY FINISH

Explore specially curated, hand-crafted finishes made just for you. Unique colors that respond to modern trends beautifully and stand out from the crowd. These made-to-order luxury finishes create drama and stunning trend-setting combinations that you will love.

**ROSE GOLD**

Delicate, lustrous blend of yellow gold, copper and silver shades to produce a subtle romantic finish. A modern look that flatters and creates a stunning combination that pairs with most Rose Gold, Pink or Copper finishes on the market.

**OIL-RUBBED BRONZE**

Created to mimic natural aging and weathering of pure bronze, our Oil-Rubbed Bronze finish is handcrafted to evoke uniqueness and create an antique ambiance. Featuring a darker earth-tone hue that pairs well with other warm and neutral colors.

**SATIN BRASS**

A striking allure of warmth is achieved through golden hues seamlessly blended and showcased in a satin finish. Explore a rich and vivid look that stands-out in just the right way. This finish enhances most yellow and gold tones and pairs well with darker colors.

**BLACK NICKEL**

Luminous and moody, much like a full-moon, Black Nickel is a contemporary dark yet reflective shade used to convey strength and style. Create a unique and dramatic look with this finish that can be combined with most Titanium and black stainless tones.
